

MaxAir™ Stainless Steel

Coarse Bubble Diffuser

The most robust coarse bubble diffuser on the market—guaranteed.

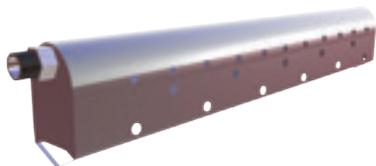

unmatched
mechanical
strength and
reliability

STAINLESS STEEL

Why EDI's Stainless Steel MaxAir is the best on the market

- 316 stainless steel construction
- High-temperature resistance—will not fail in high-temperature settings
- Clog resistant—designed for harsh environments
- Highest airflow capacity for efficiency
- Rugged heavy-duty construction for worry-free maintenance
- Excellent for mixing and for demanding applications
