

FlexAir™ Disc Diffuser

with Spectrum Saddle Mount

The best diffuser mount
on the market—not
the cheapest.

unmatched
mechanical
strength and
reliability

Why the Saddle Mount Disc is the best on the market

- 3 times stronger than conventional mounting or push-on systems
- Pre-assembled and leak tested in our facilities
- High-capacity membrane option available for maximum airflow and low operating pressure
- Triple-check valve design prevents entry of liquid/solids into piping. Ideal for on/off applications
- Glass-fiber-reinforced polypropylene construction for maximum chemical, temperature, and UV resistance
- Patented KlicLoc™ retainer for positive mechanical lock
